

**“Claudia, my Oncology Nurse Navigator, got everything going and really helped facilitate my treatment. It’s such a nice feeling having that extra support system.”**

— Donna, Lantern Member

# Lantern Cancer Care: What You Need to Know

**Real help. One call can change everything.**

Lantern Cancer Care is part of your benefits from Roll Law Group. It connects you to an Oncology Nurse Navigator, top cancer specialists and personalized guidance — all at no cost to you. From diagnosis to treatment and beyond, we help you navigate every step of your cancer journey.

## What Does Lantern Cover?

- A dedicated Oncology Nurse Navigator with over 10 years of experience for guidance and support.
- Faster access to top specialists and second opinions.
- Coordinated appointments and medical records.
- Help with travel and lodging if care is far from home.\*

\*For more information on travel benefits, call Lantern

## How Do I Access the Benefit?

If you or a covered family member is diagnosed with cancer, call Lantern first. You’ll get faster access to specialists and the full benefit your employer provides.

Call your Oncology Nurse Navigator at (855) 204-3923.

## Does Lantern Cost Me Anything?

No. Lantern is part of your health plan and can save you time and stress.

## Who Will Help Me Through This Process?

Your dedicated Oncology Nurse Navigator will:

- Support you at any stage — diagnosis, treatment or remission.
- Explain your options in plain language.
- Coordinate care across doctors and facilities.
- Arrange second opinions and help avoid delays.

## Do I have to switch doctors?

No. You can keep your current oncologist or we’ll help you find a new one.

## What if I’m already in treatment or remission?

We can join your care at any stage.

## Is my family covered?

Yes. Spouses and dependents on your plan are covered.

## Does Lantern pay for treatment?

Treatment is billed through your insurance. Lantern may help with travel and connect you to financial resources.
